Ms Deane Maddy,

Jeff and I would like to thank you and the entire Piney Island staff for the support you gave us in repairing the water leak in our house. In addition to building a solid house, your honoring the warranty in such a timely manner and with such a quality repair is why we still feel good that we selected Piney Island to build our home.

We would like to add an extra commendation for Mike, who directed the repair and did much of the work himself. He is personable, does first class work, attends to detail, and will represent your company. We're pleased to recommend Piney Island to our friends.
